

Dear DG2 Parents:

We need at least 2 volunteers per class. Volunteers bring dancers to the backstage area and do not remain backstage. Show times are 5:30 pm & 8 pm; please arrive about 45 minutes before show time so volunteers are present when dancers are being dropped off. Please take part. The Student Teachers really appreciate your help!

Here are some guidelines for volunteers:

- Check-in and check-out dancers.
- Help maintain low voices and good behavior among dancers.
- Please do not yell at dancers, keep voices happy but stern if needed.
- Remind parents to pick up their dancer(s) in the same location as they drop them off.
- Keep dancers together with their class during the entire show.
- Supervise restroom breaks as needed.
- Keep dancers in designated area and do not allow any wandering around school grounds.
- Watch out for any mischief, strangers or uninvited visitors.
- Protect school property - we are visitors and should respect the school.
- Dancers are not allowed into the audience to watch the show.
- Help line up dancers for their performance time (during the show and for the finale).
- Help escort dancers to stage entrance and back to designated area, especially at end of show.
- Help with costume changes if needed.
- Verify that dancers have correct costume(s) and all related items. Also all costume pieces and personal items should be clearly labeled with dancer's name.
- Verify that the dance costumes are uniform (i.e.; all dancers have white gloves, socks, no socks, etc.)
- Dancers are not to have messy snacks such as cheetos, chocolate, or anything sticky at any time.
- NO GUM!
- Please clean up your designated area at the end of each show.
- Parent volunteers do not stand to wait for their classes in the backstage area
- If you see a class or group of dancers without a volunteer, please step in and help or ask other volunteers to help.

Without the Parent Volunteers, the show would not run smoothly and students would go unsupervised. There are 300+ dancers in each show which means we need a big crew to help!

We THANK YOU in advance for your time and support.
