What a wonderful time of the year the Holidays are! It's a busy and exciting time to be thinking about our families, even if we are not able to be together. Things are definitely different this year, but it doesn't mean there can't be celebration!

The DG2 Student Teachers want to let the celebration begin by offering HOLIDAY FAMILY PORTRAITS! Holiday Family Portraits are great as a warm and memorable keepsake, or a Merry Christmas greeting to send to your family and friends. It can even be a beautiful Christmas gift for someone special. EFX Photography will be at the DG2 on Saturday, December 12, 2020, to take a 5 X 7 photo of your family, which you can take home with you! \*\*other photo sizes available. See attached flyer

We realize that many things are concerning to families while we remain in the middle of a worldwide pandemic. To set your mind at ease, we want to make sure that our students and their families always feel safe and comfortable at the DG2. Our director, Miss Lucy, continues to stay up to date with the Placer County Health Department requirements and restrictions which allow us to remain open and operating throughout the COVID-19 pandemic. We have been praised for our thoroughness and well-thought-out procedures to keep both students and staff as safe as possible during class. Our teaching staff is committed to keeping our reputation of being the "2020 Best of the Best Dance School", as well as the safest.

Holiday Family Portraits are great as a warm and memorable keepsake, or a Merry Christmas greeting to send to your family and friends. It can even be a beautiful Christmas gift for someone special. The DG2 Student Teachers are making Holiday Portraits possible for you and your family too!

All of us at the DG2 just love sharing our love of dance with our students, but health and safety is the priority! If you would like further information about our safety measures and precautions, please feel free to call Miss Lucy at the DG2 office anytime.

Happy Holidays to our DG2 dancers and families from all of us at the Dance Gallery 2!

**Do you follow the DG2 on Facebook and Instagram?**

The DG2 is extremely active on Facebook and Instagram posting all of the fun photos, videos, throwbacks, and new announcements. New this year the DG2 Teachers have created individual Instagram pages!!! You can now personally follow any teacher you want. It's very easy to find them. All you have to do is search "@DG2." and then add the teacher name you are looking for. For example, "@DG2.Amber". You can follow their posts on how their classes are doing, new choreography, and their experiences at the DG2, or follow the other teachers to see what other classes are working on too!! When you follow a teacher you are able to message them directly and ask any questions you have on choreography when you are practicing at home! We are very excited to start this new chapter of social media at the DG2!!
