We couldn't be more proud of our teaching staff and our DG2 students with how amazing our June show is shaping up! The colorful costumes that have been highly anticipated are already starting to arrive... and they are **FABULOUS!**

We noticed that our teachers have outdone themselves on creating awesome choreography to fit our production number theme, "Miss Josie's Wild West"! Some have even already started using fun props and headpieces for the June stage performance, which adds even more "shine" to dazzle our show audiences. In addition to all this, with the unbelievably professionally equipped theater, (the Dietrich Theater at Sierra College), we are in the process of designing an exciting stage set and one-of-a-kind special effects! It is guaranteed to be a "rootin', tootin', high falootin'" unforgettable show night for dancers and audience alike!

The world has been waiting so long to see what we are up to at the DG2 this year! We sure don't want your family and fans to miss the opportunity to watch their very own "shining star" perform on stage with all the "fixin's" that the DG2 is known for! So make your phone call invitation and save that special date on your calendars, Saturday June 25, because no one's gonna want to miss it! Let's not forget, there is no such thing as a "bad seat in the house" of the Dietrich Theater!

Shortly after the Spring Break, (April 11-18), all the DG2 dancers will be going into rehearsals to prepare for our upcoming June show. We know that a rehearsal schedule can sometimes be an inconvenience, but we also know that rehearsing gives our dancers confidence on stage to make them comfortable enough to give their utmost performance! Therefore, we say **THANK YOU** in advance to our wonderful DG2 parents for their cooperation and support! It is definitely beginning to look like show time!!!
