We just can't have the fall go by without a festival of some kind! The DG2 Student Teachers would like to invite our dancers to our annual "Candy Fun Fest". This highly anticipated event will be on Saturday October 29, from 10 am to 1pm. All DG2 students and families are invited!

Even though California is slowly but surely coming back to our pre-COVID days, the DG2 will continue with to sanitize the classrooms with the hospital grade fogger and the floors both in the dance area and in the observation area. We appreciate your cooperation as we do our part in assisting California back to 100%.

**We have a strict policy of NO FOOD, GUM or DRINKS (water only) in the DG2 Studios. PLEASE help us keep our studios nice for everyone!**

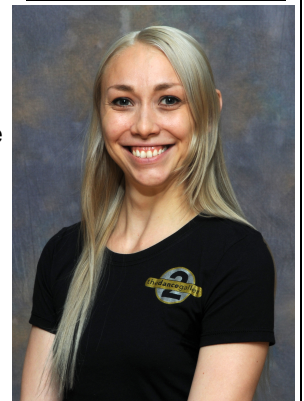

## Rocky Duvall

Rocky and his family have recently moved to California from Florida. We are so fortunate to have him, a man of many talents, joining us at the DG2. Rocky has been performing all of his life. He is extensively trained and has much experience in performing in a variety of settings such as the Royal Caribbean Cruise Lines and South Florida professional Theater Community. He has choreographed and instructed many high school teams as well as Avvi Hoffman's New Vista Theater Company in Boca Raton. To top it all off Rocky has also judged and MC'd for "Wellington Idol". He is very passionate about bringing dance to our local communities. You can see it for yourself in this years teen tap and Jazz classes!

We are so excited to have Anya apart of the DG2 Team! Especially accomplished and knowledgeable with Pointe and not only a respected ballet and pointe choreographer/teacher, she is also well trained in fitting and advising on the actual pointe shoe themselves. Classically trained dancer with 18 years of performance experience including competitive figure skating, Ballet, Theater and Contemporary dance multifaceted dancer with knowledge of production management specializing in choreography. Highly promotes the idea of growth and well being for the dance community by working as a team. We will definitely see that in our ballet program this year. We are also developing a wellness class with Anya to show the importance of taking care of our bodies and how to prevent injuries.
