We are very happy and proud to see the dedication and serious dance attitude developing among the Dance Gallery 2 dancers. It seems everyone anticipates and understand the kind of effort needed to put on a great show. This year our production number is entitled "Silence!" and choreographers Steve, Julia, Summer, & D'lallo(Aero), Alicia and Miss Lucy have been meeting to select class music. Our 2019 show dates are set for Friday, June 28th and Saturday, June 29th. Once again the Center High School Theatre in Antelope will be the venue for our performances.

The DG2 has always been proud of our adult dancers. The Adult Tap and Adult Jazz Fusion classes on Wednesday nights have become our most popular! Not only do our adults enjoy dancing in the classes, our DG2 audiences love to watch them "do their thing" on stage. Some of them have never taken a dance class before, some took dance lessons as youngsters or college students and most of them are moms whose kiddos dance at the DG2. They definitely add to our amazing DG2 Dance Family! Come join us!

The June shows keeps getting better and better every year! Get ready for a wonderful spectacle DG2 families, you are in for another hit show! But don't forget, a project like this is huge so please let us know if you are handy with a hammer, fabric or paint brush. Contact doug@dancegallery2.com if you are able to help!

Attention: The Quiet Zones in the Shine and Star studios are designated for observing classes only. The teachers request that cell phones be off or in silent mode during class time. They also request that observers keep their voices low when talking. Even though our acoustic walls work well, voices do carry onto the dance floor. Parents, feel free to take notes or better yet, bring in a video camera to record your dancer.

It's important for our dancers to feel like dancers, especially now that we have begun show choreography. The teachers and student teachers are asking our dancers to dress the part and wear dancewear to class. Dressing like dancers is respectful and demonstrates pride of being part of the team.

Remember No drinks, (especially ! coffee), snacks or gum is allowed in the studio. Bottled water is okay!

Another reminder, please use caution while driving and parking at the DG2. The rain causes the driveway shoulder gets very soft, if you leave the graveled areas you WILL GET STUCK. Don't be the next DG2 "stuck-in-the-mud"!

One of the most exciting parts of a production are the beautiful costumes the dancers wear. Most of our dancers started the 2018-2019 season in September and have already paid for their costumes. For those dancers who still need to purchase their costumes or have an outstanding balance, please note the following:

According to your COSTUME AGREEMENT FORM, costume balances will automatically be charged to your AutoPay accounts with your permission. If you still need to pay for your costumes or have any questions, please make arrangements by calling the DG2 office at 916-771-0775.

Miss Amber having a blast measuring students for their new costumes! Students from the 9:30 Baby Ballet class were very excited to have measurements taken for their June show costumes
