Congratulations Dancers!

All the classes are looking exceptional! What an awesome show this is going to be. Make sure you plan ahead! You are going to want every one of your friends and fans in the audience for our June performances, so be sure to mark your calendars. Our dress rehearsals are on Wednesday and Thursday, June 27th and 28th. Show nights are Friday and Saturday, June 29th and 30th, at the Mesa Verde Performing Arts Center. This year's production number is titled "Man of Miracles." The sets and special effects will really enhance the choreography, and our dancers are doing a fantastic job of making everything happen! The Teachers and Student Teachers are working hard, and it is shining through. They truly take pride in how great their students are doing in class.

The Dance Gallery 2 has always specialized in partner work and this years' June show will have plenty of it. The production number entitled "Man of Miracles" is a show that the DG2 dancers originally staged in 2003 when the show was written, produced, choreographed and costumed by Miss Lucy. Bringing it back onto the same stage at the Mesa Verde Performing Arts Center is very special to our DG2 choreographers since many of them performed in the original! Doug is recreating the set and props and with the creativity of our teaching staff, students and backstage crew, our DG2 families will have quite an amazing show to see on June 29 and 30. Tell your family and friends to mark the dates on their calendars now!

It makes our DG2 Teachers happy when our dancers practice throughout the week. Every single dancer is an important member of our team, and it does take a joint effort. Since we will be going into rehearsals soon, attendance is very important! Please do your best to attend all your classes. We depend on you! Be sure you have the music to work with at home; our teachers also encourage parents to come to the studio to videotape during class time.

DATES TO REMEMBER

| | |

STUDENT TEACHERS

It is such a pleasure to recognize one of our most enthusiastic and dedicated Student Teachers, Alexa Gabaree. Alexa is an 11 year DG2 dancer and has been working as a Student Teacher for the past 2 seasons. She worked her way up through participating in the Jr. Student Teacher Program, following the footsteps of her older sister, DG2 Teacher, Amber Gabaree. Alexa has a natural flair for dance and it is clear when she is on stage that she is in her "zone". Always with a smile on her face, Alexa has become a tremendous assistant and a favorite in the classroom. She comes by it honestly as her entire family has been involved with the DG2 for over 12 years. Alexa has developed into a beautiful dancer and dance is definitely a very important part of Alexa's life. Both of her sisters, her mom and even her dad has danced in our shows on stage. In fact, her father, Scott, is the DG2 Stage Left manager. We are so proud and grateful for the things Alexa and her family bring to the DG2!

Chyann Hill is such a special young lady and a great DG2 student and Student Teacher. She is a 8 year DG2 dancer and a 3 year Student Teacher, as well as being a Cheerleader at her High School. Chyann has a very full schedule, but places her passion for dance at the top of her list. She's especially remembered for

her performance in last years' June show "Lesson of Nature". Chyann allowed herself to perform well beyond expectations by playing the part of a captured Panther in a cage. One of the most admirable things about Chyann is that she is willing to try any dance genre and puts forth effort toward accomplishing the choreography to the best of her ability. Yet, she has a very quiet and soft demeanor that isn't boastful or arrogant, which makes her an incredible role model for younger students. Chyann and her family are huge Disney fans and she and her sister have represented DG2 in the Holiday Parades in Disneyland for many years. It's wonderful to have such a devoted dancer with such a wonderful personality and her supportive family, as part of our DG2 dance family.

REMINDER:

In observance of the area school districts and the convenience of our families, the Dance Gallery 2 will take Easter Monday, April 2 as a holiday.

***Spring Break
March 26th- April 2nd
No Classes***

MARCH 17th

JR STUDENT TEACHERS

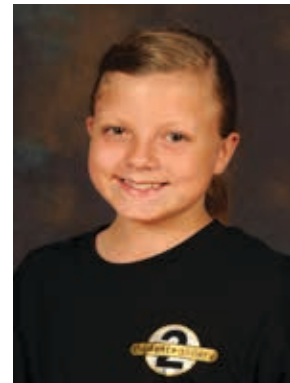

Josh Taylor is the only male Jr. Student Teacher and is such a confident, really cool guy, that it doesn't bother him in the least. In fact, you

could say he takes pride in being "one-of-kind" and rightfully so! Josh is a 5 year DG2 dancer and is becoming quite the strong tapper. He has the most welcoming warm personality and a natural gift for dance. Very dedicated, it wasn't an unusual site to see Josh rushing into the studio with his football, or soccer gear on, ready to take his dance class. He has decided this season, to be a role model for any young guys that are thinking about taking dance classes by becoming a Jr. Student Teacher. We are proud to have him!

Jr. Student Teacher Tamiece Bennett is the little sister of our Student Teacher, Chyann Hill, but look out!

She is definitely her own person with her own dance style and is absolutely up and coming! Tamiece started dancing at the DG2 8 years ago at the age of 3 years old. This is her second year as a Jr. Student Teacher and she is always looking for things she can do in the classroom to be of assistance to our teachers. What a great asset to have Tamiece on our teaching team! She is an excellent young dancer and a big help to our teachers!

Just look for the young lady with the smiling face and happy attitude dancing on the dance

floor and you'll be looking at Jr. Student Teacher Sammy Hunter. Sammy is a 5 year DG2 dancer and this is her first year as a Jr. Student Teacher. Sammy has a very special vibe about her that makes her so likable and fun. She is bubbly and kind and makes an effort to see to it that little students feel comfortable in dance class. It's easy to see why Sammy is a great Jr. Student Teacher to have in the classroom.

The Dance Gallery 2 Student Teachers
