For many years, proceeds from our Holiday Revue Performance have benefited our sponsor, the Sutter Hospital Children's Center, Child Life Program. The Child Life Program has dedicated itself to young hospital patients and their families during the difficult times of terminal or very serious illness. At the DG2 we feel it is a special opportunity, especially at the holidays, to give back to the community. It is an honor to be involved with this worthwhile organization and their hard-working staff. Child Life representatives will be present at the Holiday Revue.
